## Fun U of M Facts

- \* There are two flags on the Moon. One is the U.S. flag, the other is a U-M flag. All of the crew members of Apollo 15 graduated from U-M.
- \*Do you believe?: The University President starts each morning by spinning the cube in the Regents Plaza.
- \* After the first snowfall of each year, residents from South Quad and West Quad line E. Madison Street for a snowball fight.
- \* The pumas outside of the Exhibit Museum are said to roar when the Michigan Football Team beats Ohio State.
- \*Ann B. Davis, better known as “Alice” on the Brady Bunch, graduated from Michigan in 1949.
